

## HTML Homework #2

1. Create an HTML file named: *YournameWeb2.html*
2. Type this code:

```
<!DOCTYPE html>
<html>

<head>
<title>Web Page Two </title>

</head>

<body>

</body>
</html>
```

3. In the heading, create a style list like the one shown below. Enter any colors you want for the background and heading text.

```
<style>
body {background-color: _____;}
h1   {color: _____;}
p1   {font-size: 130%}
</style>
```

4. In the body:
  - a. Include one image that is 200 px wide and 100 px tall.
  - b. Include a paragraph that has a 3 px solid red border, 10 px padding, and 20 px margin.
  - c. Create a bookmark at the top that takes you to the bottom of the page and a bookmark at the bottom that takes you to the top.
5. Save your webpage and your image file in the same directory. Show me your webpage in class.
