

Final Project

American Government

1. Select a topic listed below or come up with your own topic.
2. Have your topic approved by Ms. Brunsting. No two students can do the same topic.
3. Research your topic. Your goal is to educate or inform others about the issue. Be sure to record the sources of your information.
4. Create a Power Point presentation.
5. You should indicate the source of your information on each slide.
6. Starting April 27, each student will make a short (3 – 5 minute) presentation on his/her topic.

Possible Topics:

What is the Convention of States about?	Current challenges to the Constitution
Challenge to the Electoral College	Healthcare for all in America
Federal budget/debt	US foreign aid
Immigration policies	Can the government mandate medical choices? (immunizations, other)
Women and the draft (Selective Service)	Effectiveness of US drug abuse policies (War on Drugs)
High cost of prescription drugs, drug price regulation	Gun control
Education reform – pick an issue	Welfare reform
US infrastructure maintenance and repair	Major environmental concerns in US
Public land policies (Use of public lands in US)	Terrorism
Election integrity	Polarization of political parties
Racial equity	Income tax reform
Regulation of “fake news” on social media	Reliable energy sources
Requiring labels on genetically modified food	Acceptance of cryptocurrency
Border security	Homelessness
School vouchers	Increasing US cybersecurity
