

STUDENT INFORMATION 2023

Homework

- Homework must be turned in in person. Do not email it or send it in a text.
- Homework should be hand-written, unless otherwise specified. Your name in the top, left corner.
- Your writing must be legible. No micro-writing.
- All homework must be turned in BEFORE the test review. I will not take it after we've done the review. You get 2 "blank" homework grades; all the other missing assignments will receive a zero.
- Don't use Google, Alexa, or Siri to answer the questions. Homework teaches you reading comprehension and analytical skills. Do the homework. Do the homework. Do the homework.
