

How to Write Homework

staple

Your Name

Class Name Lesson Number (not the page number)

1. Write the answer legibly.

2. Write the answer legibly.

3. etc.

Leave a blank line between each answer.

It's okay to write on the back of the page.

For equations, box your final answer.

For definitions, write the word you are defining FIRST.

Handwriting must be at least 1/8 inch (4 mm) tall.

If you are using a spiral, tear off all the "fringe".

Staple your pages together in the top left corner.
