

## DAY 16: HISTORY

Read Chapter 29: The Church at War

Answer these questions on notebook paper. **Write complete sentences**; no short answers.

1. What did Loyola say you have to do before you conquer others?
2. Loyola devoted his life to serving the Church. What are two things he did that helped the church?
3. What is a Huguenot?
4. What happened when King Philip tried to get rid of all the Protestants in Belgium and Holland?
5. What happened when Spain tried to invade England?

Read Chapter 30: Terrible Times

1. What were people fighting about in the Thirty Years War?
2. Did the Thirty Years War change much?
3. While some people were being stupid believing in superstitions and magic, others were discovering the “real magic”. According to the author, what is the “real magic”?

## WRITING

Pick a man of faith or a man of science to write about. Research his life. Write a report about his life and his accomplishments. Do NOT use the words *good, great, interesting, got, or bad* in your report.

| Men of Faith       | Men of Science      |                       |
|--------------------|---------------------|-----------------------|
| Martin Luther      | Nicolaus Copernicus | Robert Boyle          |
| Ignatius of Loyola | Johannes Kepler     | Isaac Newton          |
| Desiderius Erasmus | Galileo Galilei     | Anton van Leeuwenhoek |
| John Wycliffe      | Rene Descartes      | Edmund Halley         |
| Huldrych Zwingli   | Blaise Pascal       |                       |
| John Calvin        |                     |                       |
